

7 1/2 FCS

FIGURE 2

A circular detail view showing the joint between the upper and lower members. It features a cross-section of a bolt (1) passing through a nut (5) and a washer (15). The bolt is secured by a lock nut (10) and a lock washer (12). The upper member (11) is shown in cross-section, and the lower member (13) is shown in cross-section. The joint is located at the bottom of the upper member and the top of the lower member.
